

ISLAMIAT EXAM-05 : DETAILED MARKING REPORT

Bab 3(ب) and Ghazwa-e-Hunain: a full re-test of Paper 4
Seemab · Class 9 · Attempt Date: 2026-09-28 · Paper: 38 marks, 1h45m

Final Score: 36.5 / 38 · 96.1% · Grade A+

Two days ago the same material scored 21 / 38 (55.3%). This is a rise of 41 percentage points, and every single thing the re-test was built to measure came back fixed. Two markers worked this script independently, the second without sight of the first, and reached the identical total of 36.5, the identical mark on every question, and the identical section splits.

THE HEADLINE: SIX REFERENCES, WHERE THERE WERE NONE

On Paper 4 she wrote **zero** hadith references across six pages. On this script she wrote **six citations, and every one of them is correct:**

Reference	Where, and for what	Note
صحیح مسلم: 2309	Q.2(i), the Anas RA narration	drilled in the audio
صحیح بخاری: 1395	Q.2(ii), Muadh RA to Yemen	drilled in the audio
سنن ابن ماجه: 529	Q.3, the bedouin in the mosque	never drilled, she supplied it herself
صحیح بخاری: 6167	Q.3, the question about Qiyamat	never drilled, she supplied it herself
صحیح بخاری: 1395	Q.3, tadrij with Muadh RA	written a second time
سوره التوبه: 25	Q.4, with the ayah in Arabic	the verse written out in full

Two of the six were never on the list she was given. That is the difference between memorising a list and actually learning the lesson.

SECTION A : Multiple Choice (10 / 10)

Her letters: **ب ج الف ج د الف ج ب د الف**. That is the key exactly. All ten attempted, nothing blank, and this time written clearly in blue at the top of the script rather than cramped in red at the end, which removed the reading ambiguity that dogged the last paper.

#	Item	On Paper 4	Now
(iii)	Muadh RA sent to Yemen	wrong	CORRECT
(iv)	تدریج in every matter	wrong	CORRECT
(vi)	Two daughters, the two fingers	wrong	CORRECT
(viii)	Hunain 40 km from Makkah	wrong, wrote 20 km	CORRECT
(ii)	NEW: which book holds the Anas RA narration	n/a	CORRECT

All four re-tested items came back right. The 40 km one is worth singling out: she not only picked it correctly, she also wrote **چالیس (40) کلومیٹر** out in full inside Q.4, so it is learned rather than guessed. Item (ii) existed only to test whether the references had actually gone in, and it did.

SECTION B : Short Questions (10.5 / 12)

Q.2(i) 4/4. Both halves of the narration, **دس برس**, the quality named in her own words, and the citation written out.

Q.2(ii) 4/4. The definition of **تدریج**, Yemen, all three stages in the right order, the detail that zakat is taken from their wealthy and given to their own poor, and the citation.

Q.2(iii) 2.5/4, and this is the only real loss on the paper.

① عوامی مقامات پہ شرم و حیا ② تہذیب اور اعلیٰ اخلاق کا مظاہرہ کریں۔ ③ ملازمت پیشہ خواتین کا زیادہ احترام کی ضرورت اس لیے ہے کہ خواتین کے احترام کے بغیر کوئی معاشرہ ترقی کی منازل طے نہیں کر سکتا۔

The thing this question was set to test is fixed. On Paper 4 she was asked what steps **we** should take and wrote what **Islam** gave women. This time every clause is an instruction about what to do, she underlined ہمیں exactly as the paper asked, and her closing sentence is the book's own, almost word for word. **What is missing is the other half of the book's paragraph:** the five things to avoid, calling out at women, staring, mocking them, loitering outside their institutions and sitting in their pathways. So the failure changed from answering the wrong question to answering half the paragraph, which is a much smaller and much easier thing to fix.

SECTION C : Long Questions (16 / 16)

Q.3, 8/8. On Paper 4 this was six bare headings with one sentence under each, no examples, no names, no references, and it scored 3.5. This time it is the opening principle plus all seven methods: **five carry a named incident and three carry a correct hadith number.** The three methods that were entirely absent last time, اختصار, شفقت and تدریج, are all present, and tadrij carries its full three-stage sequence and its citation. **There is not a bare heading anywhere.**

Q.4, 8/8, and it is close to the model answer. Seventeen of the eighteen specifics are present: the 40 km, both tribes, the 19 days, 8 Hijri Shawwal, the 12,000 army, the arrow attack, the mule with Hazrat Abu Sufyan RA at the stirrup and Hazrat Abbas RA at the reins, the couplet, the بیعت رضوان call, the handful of dust, the angels, Abu Talha RA's thirty, the three hundred dead, the four martyrs, **all four ghanimat figures**, the two-week wait, and Surah At-Tawbah 25 with the ayah written out in Arabic. Every one of the five items the question made compulsory is there. The single omission is the Bukhari 4315 citation on the couplet.

WHAT THIS PAPER PROVES

What we were testing	Verdict	Evidence
Writing the hawala	FIXED	Zero on Paper 4, six here, all correct, two of them never drilled
Thin 8-mark answers	FIXED	No bare headings on either long question; every block carries a name, number, incident or citation
The four wrong MCQs	FIXED	All four correct, and the 40 km also written out in prose
Answering the question asked	FIXED	Q.2(iii) is now entirely about what we should do; she underlined the command word
Leaving MCQs blank	FIXED	All ten numbered and answered
Covering the whole book paragraph	NOT YET	Q.2(iii) gives the second half of p74 and skips the five avoidance items

THE ONE THING TO DO NEXT

Learn the five avoidance items from page 74, and nothing else. That is the entire remaining gap in this topic and it is worth 1.5 marks:

آنا اللہی لا کذب گھور کر دیکھنا، مذاق اپنانا، تعلیمی اداروں کے باہر غیر ضروری ٹہلنا، راستوں میں بیٹھنا Secondly, the couplet carries the reference **Sahih Bukhari 4315**, which is the only citation she missed anywhere.

DEFECTS IN OUR OWN KEY, ALL RESOLVED IN HER FAVOUR

Where	What is wrong, and what was done
Key, Q.4 point 2	Our key names مالک بن عوف as the Hawazin chief. That name is not in her textbook. Page 44 says only that the surrounding tribes were gathered. She followed her book and lost nothing, but the key asserts content her book does not contain and must be corrected.
Key, Q.2(iii)	The key loads 2.5 of the 4 marks onto the five avoidance items alone, a weighting the paper never disclosed. Both markers independently departed from it and awarded 2.5 rather than the 1.5 a literal reading gives. The extra mark goes to her under the standing rule that a loss caused by our own scheme is credited to the student.
Key, Q.3	The blanket half-mark rule for a missing reference conflicts with Q.3's own scheme, which accepts an incident alone. Q.3 point 4 has the incident but no citation. No deduction taken, since the scheme itself says an incident suffices and she wrote that same reference correctly a page earlier. To be settled in writing before the next paper.
