Islamiat exam-03: MCQs 17/30 to 9/10

Islamiat exam-03 came in at 32.5/38 (85.5%, A): MCQs 9/10, Section B 12/12, Section C 11.5/16. It is the first Islamiat paper since exam-02 on 13 September, and the MCQ weakness that defined that paper is gone. The single MCQ mark lost is question 5, left blank.

The same pattern as her science papers now shows in Islamiat: the knowledge is there, and the marks go on completeness. Both 8-mark notes have the right headings but one sentence under each, so the ayah, the dates, the commanders and the numbers are missing.

Priorities for the next fortnight

1. **Sweep the MCQ list before submitting.** One blank answer cost a mark on a paper where she knew the content.
2. **An 8-mark note needs 6 to 8 real points.** One line per heading is half an answer; add the ayah with its translation, the dates, the names and the numbers.
3. Equations: read every coefficient back (Biology), and write product names in full.
4. Answer the exact comparison asked (meiosis II versus mitosis, not meiosis versus mitosis).
5. Carried forward: Maths ordered pairs and log-law names; Chemistry state symbols and the catalyst table.

Pending correction, not applied here: Islamiat exam-02 question 15 asked the distance of Wadi Hunain from Makkah. The book (p.44) says 40 km; our key said 30 km, and Seemab answered 40 km and was marked wrong. Verified on the book page and on her answer sheet. Her exam-02 score should be **31/46**, and the Islamiat totals here would rise by 1 mark. Held until Atif decides how to issue the correction.

MCQ: 26/40 (65.0%). Exam-03: 32.5/38, MCQs 9/10 (only the unanswered Q5 lost). Exam-02 stays at 30/46 here: a verified +1 correction on its Q15 is pending Atif's go-ahead.

Marking method

Islamiat exam-03 was marked from the 3-page CamScanner scan, deciding items re-read at 250 to 400 DPI, and re-marked blind by a separate background agent that reached 32/38; the half-mark difference (a line the blind pass could not read) was resolved in her favour after a 400 DPI read. The v64 figures for the other five subjects are carried forward exactly as published. No other class-9 session was running.
