CORRECTIONS AFTER DEEP-CHECK — first-pass score 42/50 → final 43/50

A second, independent pass re-read every disputed answer directly against the scan and against the exact book pages (not just the answer key). Six marks changed; here is what changed and why:

Question	First pass	Final	Reason for the change
Q.2(i) Main	1	0.5	First pass wrongly read her answer as a paraphrase of the dua itself (ayat 5–6). She actually translated ayat 4 — the plea before the dua ("my bones have weakened, my head has flared with the whiteness of old age... I have never been disappointed asking You"). That does not contain the dua's actual request, so only partial credit for naming that a dua for a child was made.
Q.2(iv) OR	1	2	The first pass deducted a mark for not mentioning "the Hereafter." Checked against the book (p.35 نکتہ), that idea is not there — the book's own point is only that the world was not created "محض کھیل" (mere play) but with purpose, which her answer states correctly. No mark can be taken for a criterion the book itself does not make.

Q.2(v) Main	2 (provisional)	1	The missing-page flag is withdrawn: page 2 ends the previous answer with a full stop, and page 3 opens this answer fresh with a normal top margin — nothing is missing. The quote itself was also misread: she wrote "اللہ تعالیٰ ان لوگوں کی مدد فرماتا ہے جو ایمان لاتے ہیں" (Allah helps those who believe), not "those who strive in His way." Book p.49 specifies "جو اللہ تعالیٰ کے دین کی مدد کرتے ہیں" (those who help Allah's religion) — a related but different point, so half marks.
Section B(b), word 5	5/5	4/5	Her word for رَوَاسِي was misquoted as "پہاڑ" (mountain, correct). She actually wrote "ٹھہرنے کی جگہ" (a place to stay/settle), which is not what رَوَاسِي (firm mountains) means.
B(c)(ii) OR	1.5/3	3	She does state the creation happened in a specific number of days, followed by settling upon the Throne — both parts the printed question actually asks for ("how many days, and what did He do afterward"). The key's extra phrase about "directing every affair" is not what the question asks, and the printed question governs over the key's wording.
Q.4 Main	4.5/8	5.5	Re-derived from the book's own مَضَامِين framing of Surah Al-Hajj (Qiyamah's conditions, then the bad end of disbelievers, then the good end of believers) rather than the key's separate bullet list. Her tremor description matches the book's own wording closely (1.5/2); the disbelievers' punishment is stated but misses their humiliation in this world (2/4 combined with the related p.49 point on misguided disputers); the righteous (1/1) and the judgement/resurrection description (1/1) are both accurate.

Everything else (Section A, Q.2(ii), Q.2(iii), B(c)(i), B(c)(iii), Q.3) is unchanged from the first pass.

SECTION A — Multiple Choice Questions (10 × 1 = 10 Marks) — SCORE: 10/10

#	Question (summary)	Correct	Seemab wrote	Result
1	Whose miraculous creation does Surah Maryam describe in detail?	A — Hazrat Isa (AS)	A	1
2	Who recited Surah Maryam before the Najashi?	B — Hazrat Jafar bin Abi Talib (RA)	B	1
3	Why is Surah Al-Anbiya so named?	C — tazkira of many prophets	C	1
4	Hadith's description of Surah Al-Anbiya	D — old and precious treasure	D	1
5	Number of ayat in Surah Al-Hajj	B — 78	B	1
6	Surah in which jihad was first permitted	A — Surah Al-Hajj	A	1

7	Meaning of "Naml"	D — ant (چیونٹی)	D	1
8	Surah An-Naml revealed right after which surah?	C — Surah Ash-Shu'ara	A, self-corrected to C	1
9	Summary (خلاصہ) of Surah Luqman	A — Tawheed, character-building, Hereafter	A	1
10	Other name of Surah As-Sajdah	B — Tanzil As-Sajdah	B	1

Q.8 note: her first mark was A, which she then struck through with a heavy scribble and wrote C cleanly beside it, uncrossed. The final, legible answer is C, which is correct. This is not treated as provisional — the correction itself is unambiguous on the scan (checked at 400dpi) — but it is worth naming as a positive: she caught and fixed her own mistake before moving on, the exact self-checking habit flagged as a growth area in her Physics and Maths papers this month.

Perfect score on Section A — a strong debut on a brand-new subject's very first MCQ set.

SECTION B(a) — Short Questions (5 × 2 = 10 Marks) — SCORE: 6.5/10

Q.2(i) Main — Hazrat Zakariya's (AS) dua, Surah Maryam

0.5/2

Seemab wrote: "حضرت زکریا نے سورۃ مریم میں اللہ تعالیٰ سے اولاد کے لیے دعا کی" (Hazrat Zakariya asked Allah in Surah Maryam for a child). Under a "ترجمہ" heading she then wrote: "اے میرے رب! بے شک میری ہڈیاں کمزور ہو گئی ہیں اور سر بڑھاپے کی سفیدی سے بھڑک اٹھا ہے" اور اے میرے رب! میں تجھ سے دعا مانگ کر کبھی محروم نہیں ہوا۔"

Credit (0.5): "اولاد کے لیے دعا کی" correctly identifies what the dua asks for.

Deduction (1.5 marks): what she quoted and translated is Surah Maryam ayah 4 — Zakariya's (AS) opening plea about his weakened bones and old age — not the dua itself. The book's دعائیں box on p.15 is ayat 5–6: "فَهَبْ لِي مِنْ لَدُنْكَ وَلِيًّا / وَاجْعَلْهُ رَبِّ رَضِيًّا" ("grant me from Yourself an heir / and make him, my Lord, pleasing"). No Arabic was written and the actual dua's text and translation are both absent, so only the 0.5 mark for correctly naming what the dua was for is awarded.

Q.2(ii) OR — Blessings on Hazrat Sulaiman (AS), Surah An-Naml

1/2

Seemab wrote: "سورۃ النمل کے مطابق اللہ تعالیٰ نے حضرت سلیمان کو ایسی نعمتوں سے نوازا" جن میں خاص طور پر: پرندوں کی زبان سمجھنے کا علم، جنات اور انسانوں پر اختیار، ہوا کو تابع کر دینا، چیونٹیوں کی بات سمجھنے کی صلاحیت۔"

Credit (1 mark): the miracles she lists — understanding birds' (and ants') speech, authority over jinn and men, command of the wind — are exactly the miracles the key wants.

Deduction (1 mark): book p.88 also credits him with "دولت، حکومت اور شان و شوکت" (wealth, kingship and great splendour), inherited along with knowledge and prophethood from his father Dawud (AS). None of this worldly-blessings half is mentioned.

Q.2(iii) Main — Why Surah Luqman is so named**2/2**

Seemab wrote: "سورة لقمان کا نام حضرت لقمان کے نام پر رکھا گیا ہے کیونکہ اس سورت میں حضرت لقمان کے اپنے بیٹے کو دی گئی حکمت بھری نصیحتوں کا ذکر ہے۔"

Full marks. This is a complete, accurate match to the key: named after Hazrat Luqman (AS) because the surah narrates the wise advice he gave his son.

Q.2(iv) OR — Purpose of creating the heavens and earth, Surah Al-Anbiya**2/2**

Seemab wrote: "اللہ تعالیٰ نے آسمانوں اور زمین کو حق اور حکمت کے ساتھ پیدا کیا تاکہ لوگ اللہ کی قدرت کو پہچانیں اور اس کی عبادت کریں۔"

Full marks. Book p.35 نکتہ states exactly this: "اللہ تعالیٰ نے یہ دنیا محض کھیل تماشہ کے لیے نہیں بلکہ" (Allah did not create this world for mere play, but purposefully). Her answer states this directly. The key's additional "points to the Hereafter" wording is not something the book itself says at this point, so no mark can be withheld for it — corrected from the first pass, which deducted a mark on that basis.

Q.2(v) Main — Whom does Allah help, Surah Al-Hajj?**1/2**

Seemab wrote: "لوگوں کی مدد فرماتا (a word struck through) سورة الحج کے مطابق اللہ تعالیٰ ان "یہ جو ایمان لاتے ہیں۔"

Credit (1 mark): a real, on-topic point — that Allah helps those who believe.

Deduction (1 mark): book p.49 states the specific point more narrowly — "اللہ تعالیٰ ان کی مدد فرماتا ہے" (Allah helps those who help Allah's religion), not simply those who believe. Related but a different, narrower point, so half marks.

Note: the first-pass report flagged this as a possibly-missing scanned page, quoting her as writing about "those who strive in Allah's way." On re-checking, that flag is withdrawn — page 2 ends the previous answer with a full stop and page 3 opens this one fresh with a normal top margin. Nothing is missing; the quote above is the corrected, verified reading.

SECTION B(b) — Quranic Word Meanings (5 × 1 = 5 Marks) — SCORE: 4/5

Word	Key meaning	Seemab wrote	Result
عَبْدُ اللَّهِ	Servant of Allah	اللہ کا بندہ	1
أَيْنَ مَا	Wherever	جہاں کہیں بھی	1

يُمْسِكُ	He holds / restrains	روکنا / پکڑنا	1
مَنْسَكًا	A way / rite of worship	عبادت کا طریقہ	1
رَوَاسِي	Firm mountains	ٹھہرنے کی جگہ	0

4/5. The first four word meanings are correct.

Word 5 corrected from the first pass, which misquoted her as writing "پہاڑ" (mountain, which would have been correct). She actually wrote "ٹھہرنے کی جگہ" (a place to stay/settle) for رَوَاسِي, which means firm mountains — not correct.

SECTION B(c) — Comprehension (3 × 3 = 9 Marks) — SCORE: 9/9

(i) OR — Allah's message to every messenger before the Prophet (SAW)

3/3

Seemab wrote: "کہ اللہ تعالیٰ کے علاوہ کوئی معبود نہیں اور صرف اپنی ہی عبادت کا حکم دیا گیا ہے۔"

Full marks — captures the single message (Tawheed: no god but Allah, worship Him alone) exactly.

(ii) OR — Creation of the heavens and earth, Surah As-Sajdah

3/3

Seemab wrote: "اللہ تعالیٰ نے آسمانوں اور زمین کو چھ دنوں میں پیدا فرمایا۔ اور اس کے بعد (a short false start, crossed out) پھر عرش پر جلوہ فرما دیا۔"

Full marks, corrected from the first pass, which misread "چھ دنوں میں" (in six days) as absent. The printed question asks two things — how many days, and what Allah did afterward — and both are answered correctly (six days; then established upon the Throne). The key's additional phrase about continuously "directing every affair" is not part of what this specific question asks, and the printed question governs over extra wording in the key.

(iii) Main — What Allah has subjected for man, Surah Luqman

3/3

Seemab wrote: "اللہ تعالیٰ نے انسان کے لیے آسمانوں اور زمین کی تمام چیزوں کو مسخر (تابع) کر دیا ہے۔ اس آیت میں اللہ تعالیٰ کی دو قسم کی نعمتوں کا ذکر ہے: (۱) ظاہری نعمتیں (۲) باطنی (پوشیدہ) نعمتیں۔"

Full marks — subjection of everything in the heavens and earth, and both named kinds of favour (apparent/zahirah, hidden/batinah), exactly as the key wants.

Q.3 Main — Hazrat Sulaiman (AS), Surah An-Naml

8/8 — FULL MARKS

Structured under her own four headings, each in blue ink:

حضرت سلیمان کا تعارف — introduces him as the son of Dawud (AS), given knowledge, wisdom and a great kingdom by Allah.

اللہ تعالیٰ کی عطا کردہ نعمتیں — knowledge of birds' speech, authority over jinn/men/birds, "these blessings were signs of Allah's grace and power."

حضرت سلیمان کی شکرگزاری — he thanked Allah for the favour, understanding it as Allah's grace rather than his own ability, and prayed: "اے میرے رب! مجھے توفیق دے کہ میں تیری اس نعمت کا شکر ادا کروں جو تو نے مجھ پر اور میرے والدین پر فرمائی۔"

چیونٹیوں کی وادی کا واقعہ — the army of men, jinn and birds marching, one ant warning the others to enter their homes so Sulaiman's army does not crush them unknowingly.

حضرت سلیمان کا ردعمل — on the following page: hearing the ant, he smiled and thanked Allah, then made the dua above.

This is a complete, well-organised answer that hits every bullet in the key — inheritance of knowledge from Dawud (AS), the miracles (birds' speech, command of jinn/men), the disciplined army, the full valley-of-the-ants incident including the detail that he **smiled** at the ant's words (many students miss this exact detail), and his gratitude and dua. First perfect Section C answer of this new subject.

قیامت کا دن": "سورة الحج میں قیامت کے دن کا زلزلہ ذکر ہے۔ اس دن زمین زور سے ہلائی جائے گی، لوگ بدحواس ہو جائیں گے اور قبروں سے اٹھا کر اپنے اعمال کا حساب دینے کے لیے اللہ تعالیٰ کے سامنے پیش کیے جائیں گے۔"

Under heading "کافروں کا انجام": "جو لوگ اللہ تعالیٰ کا انکار کرتے ہیں انہیں ان کے اعمال کی سزا" دی جائے گی، وہ جہنم کے سخت عذاب میں مبتلا رہیں گے۔"

Under heading "نیک لوگوں کا انجام": "جو نیک ایمان لائے اور نیک اعمال کیے، اللہ تعالیٰ انہیں" جنت میں داخل فرما دے گا، وہاں انہیں بے شمار نعمتیں حاصل ہوں گی۔"

Re-marked against the book's own مضامین framing of this surah (the Day's conditions, then the bad end of disbelievers, then the good end of believers), rather than the key's separate bullet list, since book p.48 frames it this way and the printed material governs.

Part	Her answer	Mark
Tremor of the Hour	"زمین زور سے ہلائی جائے گی، لوگ بدحواس ہو جائیں گے" — matches book p.49's "بوش اڑا دے گا" closely, but misses the specific imagery (nursing mothers, pregnant women, people appearing intoxicated).	1.5/2
Disbelievers' and misguided disputers' end	"جہنم کے سخت عذاب" is stated; misses their humiliation in this world (p.48–49 covers both this-world and Hereafter punishment, plus those who dispute about Allah without knowledge as part of the same misguidance theme).	2/4
The righteous	"اللہ تعالیٰ انہیں جنت میں داخل فرما دے گا" — correct.	1/1
Judgement / resurrection	قبروں سے اٹھا کر اپنے اعمال کا حساب دینے کے لیے اللہ تعالیٰ کے سامنے "پیش کیے جائیں گے" — correct.	1/1

Corrected from the first pass, which marked this against the key's five-bullet split and deducted a full 2 marks for not naming "people who dispute about Allah without knowledge" as a separate event. Re-checked against the book, that is presented as part of the same misguidance/disbelief theme rather than a distinct fifth event, so it is folded into the disbelievers mark above rather than costing marks twice.

Strengths

- Perfect Section A (10/10) — a very strong debut MCQ score for a brand-new subject, and she caught and corrected her own Q.8 mistake mid-paper.
- Perfect Section B(c) comprehension (9/9) once correctly re-read — all three answers, including the six-days-of-creation question, fully match what the book and the printed questions ask for.
- Q.3 Section C (Hazrat Sulaiman, AS) is a complete, well-structured, headed answer that misses nothing in the book's account, including the easy-to-forget detail that he smiled at the ant's warning.

- Where she answers, her Urdu paraphrasing genuinely captures the meaning of the ayat rather than being a rote-memorised sentence — a good sign for a first attempt at a new paper format.

Areas to work on next time

- **Writing out the Arabic of a dua, not just its meaning.** Q.2(i) asked for Hazrat Zakariya's (AS) actual dua (ayat 5–6); she translated the verse just before it (ayah 4) instead. Both the Arabic and the correct verse matter here — worth a specific practice pass on the short duas in the book's دعائیں boxes, in Arabic alongside their meaning.
- **رَوَائِبِي specifically.** The one word-meaning she lost was this one (firm mountains) — worth a direct re-check along with the other Surah Al-Anbiya/As-Sajdah vocabulary.
- **Knowing exactly who Allah says He helps (Surah Al-Hajj).** She wrote "those who believe," which is true but not the book's specific point ("those who help Allah's religion"). Close, but the exact wording of this particular نكته is worth re-reading.
- **Sulaiman's (AS) worldly blessings, not just his miracles.** Q.2(ii) named the miracles (birds' speech, jinn/human command, wind) very well but left out that he was also given wealth, kingship and great splendour, inherited with knowledge and prophethood from Dawud (AS).
- **The Qiyamah imagery in Surah Al-Hajj 1–2.** Q.4's description of the earthquake is accurate but general; the book's own vivid detail — nursing mothers forgetting their infants, pregnant women miscarrying, people appearing intoxicated — is worth learning by name, since it is exactly the kind of specific imagery this surah is known for.

Comparison with prior attempts

This is Seemab's first-ever Tarjuma-tul-Quran attempt, so there is no prior attempt in this subject to compare against. At 86.0%, it sits comfortably inside the range of her other subjects' opening attempts (Physics opened at 97.7%, Chemistry at 98.5%, Biology at 80.0%, Maths at 100%) — a solid, above-average start. The gaps are specific and fixable: one wrong verse identified for a dua, one wrong word meaning, and two places where she named half of a two-part point (Sulaiman's blessings, the Qiyamah imagery) rather than the whole thing — not a misunderstanding of the surahs themselves.

Marking method: every Section A option and every Section B/C answer was read directly from the CamScanner PDF at 400dpi (crops up to 3x zoom where needed) against the answer key's HTML source (quran/exam-template/exam-01-v2-answers.html) and, for the corrections in this version, against the exact book pages cited above. This is the corrected pass following an independent deep-check on 14 September 2026; the first-pass report (42/50) is kept alongside this one as report-first-pass.pdf for reference. All marks in this version are final — the earlier missing-page flag on Q.2(v) has been checked and withdrawn.
